

Carroll County EQIP FY03 Local Ranking Worksheet

Applicant Name(s) _____

Tract Numbers(s) that are being ranked on this application:

Circle the appropriate responses.

L1) Will this application address livestock resource concerns?

Yes - Proceed to question L2

No - The application will not be ranked for livestock concerns. Proceed to question W1

L2) Does this application include a request for cost share on a waste storage facility or waste treatment lagoon that will expand the farm's livestock production? (Livestock production to be determined by total average animal units (pounds) in production.)

No - The application will be ranked **High** for livestock concerns. Proceed to question W1

Yes - The application will be ranked **Medium** for livestock concerns. Proceed to question W1

W1) Will this application address water quality resource concerns?

Yes - Proceed to question W2

No - The application will not be ranked for water quality concerns. Proceed to question E2

W2) A distance will be measured between the closest point of the tract(s) to the nearest perennial stream (solid blue line on USGS topographic maps.) The distance will be measured following the existing topography.

A) Is the distance 1/2 mile or less? Yes - The application will receive a local ranking of **High** for water quality concerns. Proceed to question E1

No - Proceed to question B below

B) Is the distance greater than 1/2 mile but less than or equal to 1 mile?

Yes - The application will receive a local ranking of **Medium** for water quality concerns. Proceed to question E1

No - The application will receive a local ranking of **Low** for water quality concerns. Proceed to question E1

E1) Will this application address erosion concerns? Yes - Proceed to question E2

No - The application will not be ranked for erosion concerns. Proceed to question F1

E2) The soil types will be determined on the tract(s.) (If part or all of the practice(s) is located outside of Carroll County, the Carroll County soil types that are most similar to the out of county soil types will be determined.)

A) Is any part of the tract(s) comprised of soil map units AsB2, At, Ba, Bb, CaB2, CeG, Cg, Ck, Cn, Cp, Cr, CtB, CwB, CyB, FbB, FsB2, FtC3, HkG, HnG, Jr, Js, KcB2, Ld, Lo, Ls, MdB2, MfC3, MhD3, MkB2, MuB, Mv, MwB, OdB2, OfB2, OhC3, OrB, PnB, RmB2, RmD2, RnC3, RrB2, Rt, Ru, Sn, So, Ss, or WvB2? Yes - The application will receive a local ranking of **High** for erosion concerns. Proceed to question F1

No - Proceed to question B below

B) Is any part of the tract(s) comprised of soil map units Cz, Hw, Ma, Mb, Mc, Mm, Mo, Mp, Mt, Pb, Pd, Pe, Pg, Pk, Pp, Pr, Wd, We, Wk, Wr, or Ws? Yes - The application will receive a local ranking of **Medium** for erosion concerns. Proceed to question F1

No - The application will receive a local ranking of **Low** for erosion concerns. Proceed to question F1

- F1)** Will this application address forest concerns? Yes - Proceed to question F2
No - The application will not be ranked for forest concerns. Proceed to statewide ranking worksheet

F2) The soil types will be determined on the tract(s.) (If part or all of the practice(s) is located outside of Carroll County, the Carroll County soil types that are most similar to the out of county soil types will be determined.)

- C) Is any part of the tract(s) comprised of soil map units AsB2, At, Ba, Bb, CaB2, CeG, Cg, Ck, Cn, Cp, Cr, CtB, CwB, CyB, FbB, FsB2, FtC3, HkG, HnG, Jr, Js, KcB2, Ld, Lo, Ls, MdB2, MfC3, MhD3, MkB2, MuB, Mv, MwB, OdB2, OfB2, OhC3, OrB, PnB, RmB2, RmD2, RnC3, RrB2, Rt, Ru, Sn, So, Ss, or WvB2? Yes - The application will receive a local ranking of **High** for forest concerns. Proceed to statewide ranking worksheet
No - Proceed to question B below

- D) Is any part of the tract(s) comprised of soil map units Cz, Hw, Ma, Mb, Mc, Mm, Mo, Mp, Mt, Pb, Pd, Pe, Pg, Pk, Pp, Pr, Wd, We, Wk, Wr, or Ws? Yes - The application will receive a local ranking of **Medium** for erosion concerns. Proceed to statewide ranking worksheet
No - The application will receive a local ranking of **Low** for erosion concerns. Proceed to statewide ranking worksheet

Note: Statewide ranking will be done only on resource concerns that received a local ranking.

This application ranking process has been explained to me and I am in agreement with the ranking results.
